

Easter egg bunny ears

www.tinselandtrim.com

Materials

- White felt
- Pink felt
- Floral wire
- Glue gun
- Scissors
- Permanent markers
- Eggs

Instructions

1. Cut outer ears from white felt.
2. Cut inner ears from pink felt.
3. Cut headbands from white felt.
4. Align the bottom of the inner ear at the fold mark of the outer ear.
5. Place a piece of floral wire between both ear pieces, make sure at least 1 inch of wire hangs below the bottom of the outer ear.
6. Glue ear pieces and wire together.
7. Repeat for the second ear.
8. Place a piece of floral wire between both headband pieces. Glue together.
9. Bend the ear at the fold mark toward the back. Repeat for both ears.
10. Glue the ears to the headband.
11. Cut off remaining wire.
12. Shape band and ears.
13. With permanent marker, give a face to your egg. Add the ears.
